

UNIQUE & PROPRIETARY DEGASSED INKS FOR HIGH SPEED PRODUCTIVITY

PREMIUM 500

PROMISE

An environment-friendly printing option, Premium 500 is the most economical choice. It has been developed for high speed, high productivity & high quality printing environments. Degassed inks ensure that the cartridge delivers a smooth ink flow for hours of unattended operation.

APPLICATIONS

Premium 500 ink is recommended for indoors - window displays, vehicle wraps, dropdown banners, in-shop branding, etc.

BENEFITS

Greater saturation of colors

Wider coverage

Reliable quality

Quick dry

Brilliant colors
